WELCOME TO
MYSTIC LAKE
CENTER

HERE, INNOVATION IS A

NATURAL ELEMENT

Inspired by the beautiful scenery and changing seasons of Minnesota, Mystic Lake Center combines the elements of nature with modern, functional design and state-of-the-art technology, innovation and quality.

More than a meeting space, Mystic Lake Center builds a true connection between work, socializing and nature. With distinguishing features and exceptional design, Mystic Lake Center showcases:

DYNAMIC SAGEGLASS® 11,000 square feet of glasswork provides natural light and electro-chromic technology that reacts to sunlight, preventing glare and heat gain

CUSTOM CHANDELIERS An intricate design emulates drops of rainwater on a lake

WOOD PORTALS Representing the curve of a cattail, oversized wood portals welcome guests and lead into versatile ballrooms

ILLUMINATED ART Wall décor and lighting reflects the colors of the seasons

MODERN FINISHES Textured patterned carpet in blue and gray tones depict the movement of a flowing river

A WELL-APPOINTED RETREAT

AT THE END OF THE DAY

With the addition of 180 hotel rooms in a stunning nine-story tower, Mystic Lake Center joins Mystic Lake Casino Hotel® to form one of the largest hotels in the Twin Cities metro area, with a total of 766 rooms.

GREEN

INITIATIVES

As a steward of the land, the SMSC engages in a number of activities to preserve and protect the environment for future generations. When you choose to host your meeting or event at Mystic Lake Center, you can be confident you're making an environmentally friendly decision.

INITIATIVES IMPLEMENTED AROUND THE PROPERTY:

- Produce from the SMSC organic garden is used seasonally on banquet menus
- All restaurants with table service use non-disposable serving ware, excluding takeout orders
- Irrigation of the golf course is provided via the SMSC Water Reclamation Facility
- Cleaning supplies used by housekeeping are non-phosphorus products
- Paper, aluminum cans, plastic bottles and batteries are all recycled
- The SMSC Water Reclamation Facility features a green roof and treats wastewater from the casino and area tribal businesses
- Recycling bins property-wide
